Dreadnought Resources completes IronRinger Resources Pty Ltd Acquisition

Dreadnought Resources Limited ("Dreadnought" or the "Company") is pleased to advise that it has completed the acquisition of 100% of IronRinger Resources Pty Ltd.

In accordance with the announcement on 7 November 2018, the issue of 350,000,000 new shares and 50,000,000 options to acquire new shares to vendors of IronRinger Resources Pty Ltd has been completed. The issue of the new securities was approved by shareholders at the Company's Extraordinary General Meeting held on 15 February 2019.

In lieu of the \$70,000 cash payment, the parties agreed to issue an additional 23,333,334 new shares at \$0.003 per share under the Company's Listing Rule 7.1 capacity to the vendors.

Dreadnought now intends to commence on-ground exploration at the Yampi project as soon as exploration approvals are received.

Concluding Comments

Dreadnought Resources is extremely pleased to be able to acquire the Yampi base metal project within a proven terrain that has had limited exploration completed and targets that are expected to be drilled later in the quarter.

In addition, the Rocky Dam project adds the opportunity to add gold and pyrite to the Company's commodity mix.

Dreadnought looks forward to exploring these highly prospective projects over the coming six months.
