YOUR VOTE IS IMPORTANT

The business of the Extraordinary General Meeting affects your shareholding and your vote is important.

VOTING ELIGIBILITY

The Directors have determined pursuant to regulation 7.11.37 of the Corporations Regulations 2001 (Cth) that the persons eligible to vote at the extraordinary general meeting are those who are registered shareholders at 5.00 pm Perth Time on Wednesday 14th August 2019.

VOTING IN PERSON

To vote in person, attend the Extraordinary General Meeting at the time, date and place set out above.

VOTING BY PROXY

To vote by proxy, please complete and sign the enclosed Proxy Form and return by the time and in accordance with the instructions set out on the Proxy Form.

In accordance with section 249L of the Corporations Act, members are advised that:

- each member has a right to appoint a proxy;
- the proxy need not be a member of the Company; and
- a member who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the member appoints 2 proxies and the appointment does not specify the proportion or number of the member's votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

Sections 250BB and 250BC of the Corporations Act apply to voting by proxy. Broadly, these sections provide that:

- if proxy holders vote, they must cast all directed proxies as directed; and
- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

Further details are set out below.

Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, if it does:

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands; and
- if the proxy is the Chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- if the proxy is not the Chair – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Transfer of non-Chair proxy to Chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- the appointed proxy is not the chair of the meeting; and
- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
 - the proxy is not recorded as attending the meeting;
 - the proxy does not vote on the resolution,

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

PROXIES

A shareholder entitled to attend and vote at this meeting is entitled to appoint a proxy to attend and vote on the shareholder's behalf. If the shareholder is entitled to cast two or more votes at the meeting, the shareholder may appoint up to two proxies to attend and vote on the shareholder's behalf.

If a shareholder appoints two proxies, each proxy must be appointed to represent a specified proportion or number of the shareholder's votes. Absent this specification, on a poll, each proxy may exercise half the votes.

A proxy can be either an individual or a body corporate and need not be a shareholder of the Company. If a shareholder appoints a body corporate as proxy, the body corporate will need to appoint an individual as its corporate representative and provide satisfactory evidence of this appointment.

If a shareholder's instruction is to abstain from voting for a particular item of business, the shareholders' votes will not be counted in computing the required majority on a poll.

To appoint a proxy, a proxy form must be signed by the shareholder or the shareholder's attorney duly authorised in writing. If the shareholder is a corporation, the proxy form must be signed in accordance with section 127 of the Corporations Act. To be effective, a proxy form (and, if it is signed by an attorney, the authority under which it is signed or a certified copy of the authority) must be received by the Company not later than 48 hours prior to the commencement of the meeting. Proxy forms and authorities may be sent to Computershare Investor Services Pty Ltd, GPO Box 242, Melbourne VIC 3001, or by facsimile to Computershare on (within Australia) 1800 783 447 (outside Australia) +61 3 9473 2555 or the Company on +61 8 8232 8811.

Shareholders who forward their proxy forms by fax must make available the original executed form of the proxy for production at the meeting, if called upon to do so.

EXPLANATORY STATEMENT (EXPLANATION OF THE PROPOSED RESOLUTIONS)

The chair intends to vote undirected proxies in favour of each item of business. In exceptional circumstances, the chair may change his or her voting intention on any Resolution, in which case an ASX announcement will be made.

1. RESOLUTION 1 - ADOPTION OF INCENTIVE OPTION PLAN

Resolution 1 seeks Shareholder approval for the implementation of an incentive option plan in accordance with ASX Listing Rule 7.2 (Exception 9(b)) (**IOP**).

ASX Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more equity securities during any 12 month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period. ASX Listing Rule 7.2 (Exception 9(b)) sets out an exception to ASX Listing Rule 7.1 which provides that issues under an employee incentive scheme are exempt for a period of 3 years from the date on which shareholders approve the issue of securities under the scheme as an exception to ASX Listing Rule 7.1.

If Resolution 1 is passed, the Company will be able to issue Options under the Plan to eligible participants over a period of 3 years without impacting on the Company's ability to issue up to 15% of its total ordinary securities without Shareholder approval in any 12 month period.

Shareholders should note that no Options have previously been issued under the Plan. Over the past three years, the Company has also not issued any securities under any other employee incentive scheme.

The objective of the Plan is to attract, motivate and retain key employees and it is considered by the Company that the adoption of the Plan and the future issue of Options under the Plan will provide selected employees with the opportunity to participate in the future growth of the Company.

Any future issues of Options under the Plan to a related party or a person whose relation with the company or the related party is, in ASX's opinion, such that approval should be obtained will require additional Shareholder approval under ASX Listing Rule 10.14 at the relevant time. For this reason, the Company is also seeking approval under Resolutions 2 to 6 for the issue of Options to certain Directors pursuant to the Plan.

A summary of the key terms and conditions of the Plan is set out below. In addition, a copy of the Plan is available for review by Shareholders at the registered office of the Company until the date of the Meeting. A copy of the Plan can also be sent to Shareholders upon request to the Company Secretary Kaitlin Smith on 08 8232 8865. Shareholders are invited to contact the Company if they have any queries or concerns.

- (f) the exercise price for all of the Directors Options being granted to the Directors is \$0.005;
- (g) no loans will be made by the Company in connection with the issue of the Director Options to the Directors; and
- (h) if Resolution 2-6 are approved by Shareholders, the proposed Options will be granted by the Board no later than 1 month after the date of the Meeting and it is anticipated that the allotment will be on one date.

Chapter 2E of the Corporations Act

For a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

Section 211 of the Corporations Act provides an exception to the need to obtain shareholder approval for the giving of a financial benefit to a related party where the financial benefit is remuneration to an officer of a public company and the giving of the remuneration would be reasonable given the respective circumstances of the public company and the related party (including the responsibilities involved in the office or employment.

The grant of Director Options constitutes giving a financial benefit to Messrs Tuck, P Chapman, D Chapman, Gordon and Payne, who are related parties of the Company by virtue of being Directors.

The Directors consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of Resolutions 2-6 as the grant of the Director Options is considered reasonable remuneration in the circumstances and on the terms of the IOP, which forms an important part of the Company's long term incentive strategy. In relation to the Tuck Options, the non-associated Directors considered (without Mr Tuck present) that the grant of the Tuck Options, given the Company's prevailing circumstances is a way of incentivising Mr Tuck to achieve growth for Shareholders in his executive role, while preserving cash resources that can otherwise be directed toward the development of the Company's assets. In relation to the Related Party Options, the Directors considered, on an individual basis the role and experience of each Director (without that Director being present) and the way that the Company can incentivise each Director to use their individual skills and experience to help propel the Company forward. For these reasons, the Company will not seek approval for the issue of the Options pursuant to Chapter 2E.

The Directors abstain, in the interests of corporate governance, from making a recommendation in relation to these Resolutions.

3. RESOLUTIONS 7 – 10 - RATIFICATION OF PREVIOUS ISSUES OF SHARES

Resolutions 7 to 10 seek Shareholder approval for the ratification of previous issues of Shares made by the Company.

Listing Rules 7.1 and 7.4

Listing Rule 7.1 provides that, except in limited circumstances, prior approval of shareholders is required for an issue of securities if the securities will, when aggregated with securities issued by the Company during the previous 12 months, exceed 15% of the number of shares on issue at the commencement of that 12 month period.

ASX Listing Rule 7.4 sets out an exception to ASX Listing Rule 7.1. It provides that where a company in general meeting ratifies the previous issue of securities made pursuant to ASX Listing Rule 7.1 (and provided that the previous issue did not breach ASX Listing Rule 7.1) those securities will be deemed to have been made with shareholder approval for the purpose of ASX Listing Rule 7.1.

By ratifying this issue, the Company will retain the flexibility to issue equity securities in the future up to the 15% annual placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.
