

Performance Evaluation Policy

Approved by the Board: 20 August 2024

The Remuneration and Nomination Committee, if formed, arrange a performance evaluation of the Board, the Company's Committees and its individual Directors on an annual basis. Where the Committee has not been formed, the full Board assumes the responsibilities of the Committee. An independent advisor may be engaged if necessary.

The Remuneration and Nomination Committee will conduct an annual review of the role of the Board, assess the performance of the Board over the previous 12 months and examine ways of assisting the Board in performing its duties more effectively.

The review will include:

1. comparing the performance of the Board with the requirements of its Charter;
2. examination of the Board's interaction with management;
3. the nature of information provided to the Board by management; and
4. management's performance in assisting the Board to meet its objectives.

A similar review will be conducted for each Committee by the Board with the aim of assessing the performance of each Committee and identifying areas where improvements can be made.

The Remuneration and Nomination Committee will oversee the performance evaluation of the executive team. This evaluation is based on specific criteria, including the business performance of the Company, whether strategic objectives are being achieved and the development of management and personnel. Other factors that will be considered include:

1. currency of a director's knowledge and skills; and
2. if a director's performance has been impacted by other commitments.

The Company will disclose in its annual Corporate Governance Statement whether a performance evaluation was undertaken in each reporting period in accordance with the process outlined above.
